Once you have clicked 'send' on your invoice it will go through a two-stage validation process

- The first will be within the Tungsten portal confirming that the PO references you have used are valid and the invoice and PO values match
 - Note: you cannot partially invoice against POs. POs must be fully utilized against an invoice
 - You can have multiple POs per invoice, but not multiple invoices per PO.
- Once the invoice has cleared Tungsten it will be sent to HH Global for a second validation
- You can monitor the progress of your invoice via 'invoice status':

Click on the page symbol under 'view details' against your invoice
