The "Purchase Orders" page gives you the ability to search for purchase orders that have been delivered to Tungsten Network from your customer.

- You can manage your purchase orders by moving them to a different status within the "My PO summary" section.
- Updating the status of your purchase order allows you to confirm which purchase orders are open, closed, rejected or archived.
- When your purchase order is newly created or updated by your customer, it will appear in the new or pending status.
- Tungsten Network will send an email confirming a purchase order is available in the portal under the "My PO summary" section. After reviewing the email, you are ready to begin.

5. Select the purchase order by clicking the blue link located on the left side of the page next to the purchase order number.

6. On the next page it's important to review the purchase order details prior to accepting your purchase order.

- **N.B.** If the purchase order contains invalid or missing information, it may be best to request a change from your customer.

7. The purchase order will open and, then you need to press the "ACCEPT PO" at the bottom of the page.

The screenshot displays the 'PO Convert #CBTestPO13' page in the AOS system. At the top, a header bar shows the PO number 'CBTestPO13', date '02/08/2018', and status 'Pending'. The main content area is divided into sections: 'PO FROM' (Tungsten Network - Demo Account, 1040 Crowne Point Pkwy, Suite 350, Atlanta, GA 30338), 'PO TO' (Adams Office Supplies (IT) - Test, 4 St. James' Street, James' House, Newcastle Upon Tyne, EC2B 0BL), and 'Reference numbers' (Delivery Date: 18 July 2018, Ship Date: 18 July 2018). Below these sections is 'ADDITIONAL INFORMATION' with registration numbers. At the bottom, a row of buttons includes 'ACCEPT PO' (highlighted with a red box), 'REJECT PO', 'ARCHIVE PO', 'PREVIEW', and 'BACK'. A sidebar on the left contains navigation options like Home, Invoices, Purchase Orders, Customers, Reports, Early payment, and Analytics.

8. The current status of your purchase order will be changed to "Accepted".
9. If all purchase order details are valid, click "CONVERT PO".
10. If the purchase order has been fulfilled and will no longer be used, move the purchase order to the archived status by pressing the "Archive PO" button.

11. The “Invoice number” field allows entry of your invoice number. Once your document’s number has been entered, tick the box located next to Net amount. This will allow you to select the PO line items you would like to include in your electronic invoice.

- **N.B.** Partial billing is accepted; please adjust the quantity only as the unit price has been fixed and should not be changed.

12. Next, enter the tax amount.

- If operating in a region where tax is referenced at the line item level, please select the individual tax rate from the drop menu.
- If operating in a region where tax is referenced at the summary level of the invoice, you will have the option to enter the tax amount prior to previewing and submitting your invoice.

13. Click “Create invoice” once all PO line items have been

14. selected.

- **N.B.** You can submit invoices against the same purchase order. Please ensure to use a unique invoice number for each submission.

14. Confirm that you have selected the correct purchase order line items to be included in your invoice. If not, please click "Back". If all information shown is valid, click "Confirm" to proceed to the final page.

The screenshot displays the 'PO Convert #CBTestP013' page in the AOS system. The interface includes a sidebar with navigation options like Home, Invoices, Purchase Orders, Customers, Reports, Early payment, and Analytics. The main content area features a 'Create invoice' section with an 'Invoice number' field containing 'test12345'. Below this is a table of purchase order line items with columns for Line, Description, Qty, UoM, Unit price, Tax rate, Tax amount, Net amount, and Gross amount. A summary section shows the total number of lines (3) and the net total (USD 2,576.40). At the bottom of the main content area, there are two buttons: 'BACK' and 'CONFIRM'. The 'CONFIRM' button is highlighted with a red rectangular box. The footer contains links for 'About Tungsten Network', 'FAQ', 'Terms of use', 'Privacy policy', and 'Contact Support', along with social media icons and an 'UPGRADE TO INTEGRATED SOLUTION' button.

Line	Description	Qty	UoM	Unit price	Tax rate	Tax amount	Net amount	Gross amount

3	Color La...	1,000	Each	499,00000	20,00	99,80	499,00	598,80

Summary	
No. of lines	3
Sub total	USD 2 147,00
Total tax	USD 429,40
Net total	USD 2 576,40

15. You can further review, edit and/or add details on your invoice.

16. Enter your company name, phone number and email address in the “Your details” section. Next, enter the name, phone number and email address for your customer in the “Who you are invoicing” section.

17. You can save contact details by clicking the blue

18. + circle located in the “Your details” and “Who you are invoicing” sections. This will mean you won’t have to add them again.

19. Once contact details have been entered, exit out of the text box to continue.

About Tungsten Network | FAQ | Terms of use | Privacy p

21. In the “Invoice details” section add your invoice date, payment due date and delivery date by selecting the calendar icon, this will ensure your date is in the correct format for submission.

- *Some regions of the world require a tax point date. If operating in one of these regions, you will be required to reference this mandatory data in the “Tax point date” field.*

22. Your currency and purchase order number should not be changed. The invoice will be validated against the purchase order details available in the system. If header and line level details do not match the purchase order data, your invoice is subject to rejection by Tungsten Network.

The screenshot displays the AOS (Adams Office Supplies) web application interface. The page is titled "Adams Office Supplies (UK) - Test". A navigation menu on the left includes options like Home, Invoices, Create invoice, Template management, Invoice status, Purchase Orders, Customers, Reports, Early payment, and Analytics. The main content area is divided into several sections:

- Your details:** Includes fields for "Your name" (Adams Office Supplies (UK) - Test), "Your tel", "Your email", and "VAT registration number" (FR1234567897). It also has a dropdown for "Sending goods from a different address than the invoice address?" set to "No - They're the same".
- Who you are invoicing:** Includes fields for "Name" (Tungsten Network - Demo Account), "Tel", "Email", and a dropdown for "Sending goods to a different address than the invoice address?" set to "No - They're the same".
- Invoice details (highlighted in red):** Includes fields for "Invoice number*" (test12345), "Document type" (Invoice), "Invoice date*" (17/02/2020), "Tax point date*", "Advance payment date*", "Payment due date*", "Delivery date*", "Currency*" (US Dollar), and "Purchase order (PO) number*" (CBTestPO13).

At the bottom of the page, there are links for "About Tungsten Network", "FAQ", "Terms of use", and "Privacy policy".

23. It's important to note again, line items details should not be modified. These details were provided to Tungsten Network by your customer.

- *The Goods or Service lines should only be modified to provide additional information and/or a date range.*
- *For example, work performed between January 1st and January 15th. It's best to follow standard invoicing practices when referencing line item discounts and/or entering additional information at the line item level.*
- *If you need to edit any line items, click on the edit icon on the right side of the line item you would like to modify. You can expand the additional line level information for more options.*
